*Amanda J. Brewster*

OCIA Executive Director

This certificate is valid only to document the OCIA certification of the operation named on this certificate. This certificate is not valid for trade, but only validates that the above operation may have product eligible for certification. By accepting this Certificate, the named operator agrees to maintain compliance and follow the approved management plan. The named operator agrees that this certificate will only be used as outlined in the regulations for the NOP program. Once certified, a production or handling operation's organic certification continues in effect until surrendered, suspended or revoked. An updated organic management plan and on-site inspection are required annually.
